PETITION TO WITHDRAW THE HOLDING OF ABANDONMENT

Dear Sir:

The above-referenced application went abandoned for failure to respond to an Office Action dated October 6, 2003.

In July of 2003 Applicant's counsel filed a spreadsheet with the electronic business center to associate the above-referenced file with his new customer number. On August 5, 2003, he filed a response to a restriction requirement in the case, also providing his new address. In November of 2003, Applicant's former firm formally withdrew from the case and provided

Applicant's counsel's P.O. Box as the address for correspondence.

When no office action was received by early July of 2004, Applicant called the Examiner and asked the status of the case. The Examiner indicated that no response had been received to the office action of October 6, 2003. Applicant's counsel requested that the Examiner reissue the office action and provided the Examiner evidence that Applicant's counsel had not received the office action. (See July 8, 2004 letter of Randall B. Bateman and attachments). The Examiner indicated that he would forward a copy of the office action to Applicant's counsel and consider the evidence provided.

No copy of the office action or any other communication from the Examiner was received and on August 20, 2004 Applicant's counsel sent an Inquiry As To Status of Patent Application.

No response was received to the Inquiry. In late April of 2005, Applicant made several attempts to contact Mr. Mouttet and to research the status of the case. On May 5, 2005 Applicant learned that a Notice of Abandonment had been sent on July 9, 2004. Furthermore, the Notice of Abandonment was sent to an old address of the former firm of Applicant's counsel, despite at least three separate filings with the U.S. Patent and Trademark Office identifying P.O. Box 1319, Salt Lake City, Utah 84110 as the proper address for all further communications.

In the July 2004 communications with Examiner Mouttet, Applicant's counsel had not only indicated his new address, he also provided a spreadsheet filed with EBC showing the new address and customer number which should have been associated with the file, and provided a copy of the withdrawal of Applicant's former firm which identified the same P.O. Box for further communications.

To date, Applicant has received neither the October 6, 2004 office action nor the July 2004 Notice of Abandonment. Therefore, Applicant requests withdrawal of the abandonment, a

copy of the office action and a resetting of the time in which to respond.

Should there be any questions, it is requested that Applicant's attorney, Randall B. Bateman, be contacted at (801) 533-0320 so that such matters may be resolved as expeditiously as possible. The Commissioner is hereby authorized to charge any amounts owing or to credit any overpayment to Account No. 502720.

Respectfully Submitted,

Re: Application No: 10/030,064
Attorney Docket Number 2117.GLE.PT

Dear Mr. Mouttet:

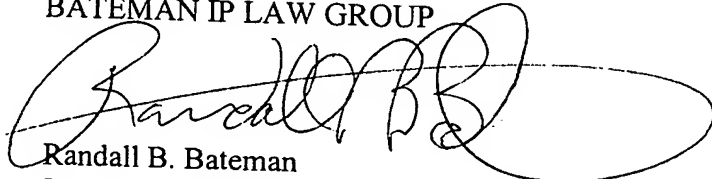

Pursuant to our telephone conversation of July 7, 2004 enclosed please find a copy of our firms mail log for August through December 1, 2003. As you will note, the only item which we received for serial number 10/030,064 is our return postcard on August 12, 2003.

I have also included a copy of the first and last page of the spreadsheet submitted to the Patent and Trademark Office to transfer files to my new customer number 27472. While this spreadsheet was submitted in July of 2003, due to my former firms errors in filing their Request to Withdraw as Counsel, it is my understanding that the changes did not take effect until November of 2003.

In light of the above I would request that you provide me with a copy of the Office Action and reset the date in which to respond.

Very truly yours,

BATEMAN IP LAW GROUP

Randall B. Bateman

RESPONSE TO RESTRICTION REQUIREMENT

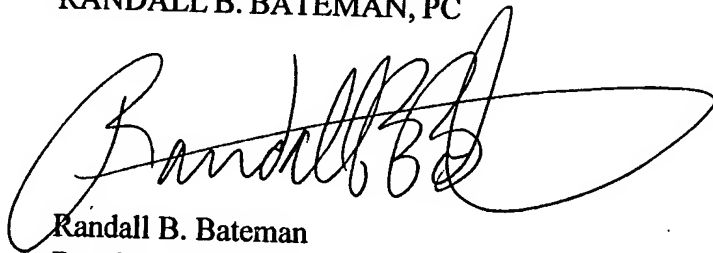

Dear Sir:

In response to the restriction requirement dated July 8, 2003, Applicant hereby elects the apparatus claims (claims 34-87) with traverse. Specifically, Applicant submits that the method claims and the apparatus claims are sufficiently similar under PCT Rule 13 that the method claims should be considered simultaneously with the apparatus claims.

It is believed that the application is in condition for allowance. Should the Examiner determine that adverse action is necessary, it is requested that he contact Applicant's attorney, Randall B. Bateman, at (801) 539-1900 so that such matters may be resolved as expeditiously as possible. The Commissioner is hereby authorized to charge any amounts owing or to credit any overpayment to Account No. 502720.

Respectfully Submitted,

RANDALL B. BATEMAN, PC

Re: Application No: 10/030,064
Attorney Docket Number 2117.GLE.PT

Dear Mr. Mouttet:

Last July we wrote to you regarding our failure to receive the office action in the above-referenced case. As we indicated previously, I left my former firm in May of 2003 and filed an change of address for the above-referenced case. My former firm also filed a withdrawal from the case and identified the following address for all future communications.

P.O. Box 1319
Salt Lake City, UT 84110

On August 20, 2004, I was concerned that I had still not received the office action I had requested in July and filed an Inquiry as to the Status of the Application. No response has been received.

Today I called the USPTO and was informed that the application had gone abandoned for failure to respond to an office action dated July 9, 2004. When I asked where the notice of abandonment had been sent, it was indicated that the Notice had been sent to 5882 South 900 East, Suite 300, Salt Lake City, Utah.

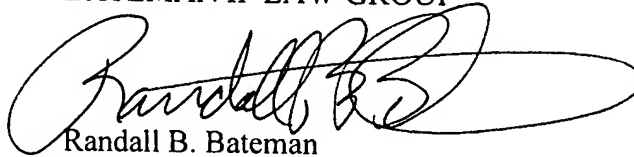

I have included a copy of both my address update to the PTO and the withdrawal of my former firm to the PTO. Please withdraw the holding of abandonment, set a new time

period to respond and send me a copy of the office action which has never been received.
Please fax me a copy of the office action and mail a copy to:

Very truly yours,
